

Results-driven Python Developer skilled in building scalable web apps with Django, developing APIs, and automating tasks. Strong in OOP, DSA, and writing clean code. Passionate about solving real-world problems and learning new technologies.

## Domain/Functional Areas

- Web Application Development
- API Development & Integration
- Backend Logic & Business Workflows

## Key Skills

**Programming Languages / Tools:** Python, Django, Django REST Framework

**Web Development & APIs:** REST APIs, HTML, CSS, JSON

**Skills / Concepts:** Object-Oriented Programming (OOP), Data Structures & Algorithms (DSA), API Integration, ORM, Problem Solving

## Professional Experience

### MK App Creatives Pvt.Ltd

Noida, India

Python Developer (Internship)

May 2024 - Jul 2024

- Developed and optimized RESTful APIs using Django, improving data response time by 30%. Automated routine backend tasks, reducing manual effort. Contributed to database design and implemented secure user authentication in live client projects.

**Skills:** Backend Development, API Optimization, Automation, User Authentication, ORM, Problem Solving, Debugging, Python, Django, Django REST Framework, PostgreSQL, SQLite, Git, GitHub

## Projects

### Polling App – Online Voting System - Web Development / Full-Stack

[Python, Django, Django REST Framework, HTML/CSS, JavaScript, PostgreSQL, Git, User Authentication, Form Handling, CRUD, ORM]

Feb 2025 - Apr 2025

- Developed an online polling app where users can vote on different topics.
- Implemented user authentication with login, registration, and password management.
- Enabled users to create polls, add options, and vote for their preferred choice.

### DevConnect – Developer Portfolio & Blog Platform - Web Development / Full-Stack

[Python, Django, Django REST Framework, HTML/CSS, PostgreSQL, Git, User Authentication, CRUD, ORM]

Sep 2024 - Dec 2024

- Built a platform for developers to create portfolios and write blogs.
- Implemented secure user authentication and profile management.
- Developed CRUD functionality for blogs with Markdown support.

## Certifications

- Python for Everybody**  
Issued by: Coursera (University of Michigan)

## Education

### Chandigarh University

Chandigarh

Bachelor of Engineering  
80%

Aug 2022 - Present

## Leadership & Extracurricular Activities

**Secretary – AI For Everyone (400+ paid members)**  
**Chandigarh University**
